

LIVE STOCK MARKET

Hog Receipts Were Light and Market Steady to Lower.

TOP PRICE WAS \$4.75

Common Cattle Were a Shade Lower.

Hog receipts yesterday were light for Tuesday. The best heavy hogs sold for steady prices, while others were weak to 5 cents lower. The top price was \$4.75 for a car load of fancy medium heavy weight hogs. Six car loads arrived just at the close of the market that were held over because by the time they were unloaded from the cars it was too dark for the buyers to see them to good advantage. They will be sold this morning at yesterday's prices. Quite a number of car loads contained a good many light hogs, and this of course made the price lower.

Hog Sales.
[By an arrangement between the packers and commission men, hogs arriving late in the night are fed, watered and weighed up on arrival and the next morning sold at the previous day's prices. These hogs are sold under the head of "early sales," and the fresh receipts of the day on which they are sold, are quoted under the head of "late sales."]
